President's Message

By John Pallohusky

With 2008 well under way there are several important issues that we have been addressing on behalf of our members. We remain in contract negotiations with the City and Department. We are making progress on several key issues in an effort to bring these negotiations to a close with the ultimate goal of being able to present a contract to our membership for ratification. Thus far we have made progress on issues concerning health care and discipline. We are currently discussing economic and operational issues, as well as the length of the contract. The current state of the economy and the various command changes within the Department along with recent policy changes have made negotiating this contract a tedious and daunting task. All parties mutually agree that it is in everyone's best interest to reach an agreement as expeditiously as possible. We remain committed to attempting to resolve our differences with the City, but we will not agree to anything that we feel would adversely affect our member's current contractual protections and benefits.

We continue to address the problems that have plagued this past lieutenant's examination process and current promotional list. It remains our position that this testing process was unfair and that the City's blatant disregard to properly address the concerns raised by the participants leads us no choice but to pursue our position in court. Along with our attorneys we have developed a course of action that ultimately will lead us into Federal Court.

Since I last reported to our members, I have had an opportunity to speak briefly with Superintendent Jody Weis and express some of the concerns of our

organization. In fact, one of the scheduled contract sessions was set aside for the Superintendent to attend. This meeting provided us the opportunity to hear some of the Superintendent's ideas for the Department and the direction he would like to move in. Superintendent Weis listened intently to our concerns and expressed his feelings of the important role our members provide as supervisors within the Department. I would like to extend our appreciation to Superintendent Weis for initiating communication between the Department and the C.P.S.A.. On several occasions his top deputies have reached out to the C.P.S.A. to discuss matters that could potentially affect our members.

I also had the opportunity to meet with Ilana Rosenzweig, the Chief Administrator for I.P.R.A.. Ms. Rosenzweig attended one of our contract sessions and discussed the role of I.P.R.A.. Ms. Rosenzweig has made herself available to discuss matters that have arisen with regards to our organization and its members.

In the months ahead we will continue to work toward securing a contract that is acceptable to our membership, which addresses the concerns of our members and provides an equitable economic package. It is also our intention to utilize all the resources available to us in continuing to challenge the City over the controversial lieutenant's examination and promotional process.

It is important that we remain united in our efforts so that we as an organization remain strong.

As always, Stay Safe! 🏠

Pension Report: Explaining The Two Automatic Increases

By Sgt. Mike Lazzaro, Sergeant's Pension Representative

It's Not A "COLA"!

There always seems to be a lot of confusion concerning the automatic increase in the annuity. Many mistakenly call this the "COLA" (cost of living adjustment), which is a misnomer in that a "COLA" is tied to inflation, while the automatic increase is not.

There are two different automatic increases that apply to Sworn Retirees. I will attempt to clarify this, all of which is covered in the Illinois Compiled Statutes, under section 5-167.1. - Chicago Police Pension Act.

The automatic increase started September 1, 1967. For retirees with at least 20 years of service credit the automatic increases are 1.5% of the original annuity, commencing at age 60, or the first anniversary of retirement, if later, to a maximum of 30%. This means you only get the 1.5% increase for 20 years. This automatic increase has been enhanced for retirees born before January 1, 1955, but as of now the above automatic increase applies to anyone born after January 1, 1955.

On January 1, 1983, the automatic increase was improved; it was increased from 1.5% to 3%. The age you qualified for the automatic increase was lowered to 55 from 60.

The last change was made in December/November of 2005, and reads: "A retiree born before January 1, 1955, who is retired with at least 20 years of service, receives an increase of 3% of the original annuity, starting on the first month following the first anniversary of his retirement or the first month following the first anniversary of his retirement following the age of 55, whichever is later."

This automatic increase must be passed every 5 years in the state legislature, so, hopefully the automatic bill will pass before 2010, so all retirees born

before January 1, 1960 will be eligible for the 3% increase. Also, unlike the 1.5 automatic increase, the 3% automatic increase is "forever," meaning you will get the increase every year (unlike the 1.5%, there is no maximum of 30%).

Some Examples:

Example #1 - An officer born before 1 Jan 55 retires at age 50 with more than 20 years of service. He must wait until his 55th birthday before he is eligible for the 3% automatic increase.

Example #2 - An officer born before 1 Jan 55 retires on his 54th birthday with more than 20 years of service, after thirteen months, he receives the 3% automatic increase.

Example #3 - An officer born before 1 Jan 55 retires with more than 20 years service on his 58th birthday. He will be eligible for the automatic increase in thirteen months.

The Double Bubble

It is possible to get two automatic increases within two months and this is referred to as the "double bubble." You must be 54 or older, with at least 20 years of service. The shortest wait for the double bubble is for you to retire on November 29. The following December you will get the 3% automatic increase, and a month later, you will get another automatic increase of 3%. Many think they will get more money if they retire in January because they will pick up furlough days, personal days, pay increases, etc. But, most probably, you will make more money in the long run if you retire in November and get the two automatic increases within a two-month time-span.

Keep in mind that once you retire, you are no

Membership News

By Sgt. Robert Kirchner, Membership Chairman

As of this time there are currently 1,230 active duty Sergeants on the rolls. We anticipate more Sergeants to be promoted this year. When and how many, are up to the new superintendent's discretion.

We had a very nice showing at the Annual Corned Beef Dinner in February where we honored our 2007 retirees. The European Chalet always does a nice job when we have our dinner on the south side. Congratulations and good health to all of the retired Sergeants.

The 2008 Sergeant's Association Golf Outing takes place on Monday August 11th at the Silver Lake Country Club. This outing directly supports the active duty Sergeant's Death Benefit Fund. When you get your raffle tickets in the mail, please send your check back to the association office. Raffle tickets are 7 for \$10.00 and all proceeds go directly to supporting the Death Benefit Fund. For additional details on the golf outing check out the Sergeant's Association web site or call the office.

If anyone has any questions regarding membership, or any comments, please give me a call or drop a line to the office and I will get back to you.

Once again I am asking all members to check and update your beneficiary cards with the office. If you have had any changes due to marriage, divorce, address, phone or wish to change beneficiaries just call the office and we will send you a card. You can then forward that card with the changes to our office via that police mail. If you have any questions feel free to call the office. 🏠

longer being paid the 1st and 16th. You are paid on the last working day of the month, (example-May 08-retirees get paid on May 30th, which is a Friday, and in December 08, paychecks are sent out on Wednesday, the 31st).

As always, I'm available to answer any questions. I can be reached at 744-3891 or Pax 0357.

God Bless Them!

Due to our cracker-jack staff (special thanks to Eglia & Rich), I was able to check for retirees and widows that are past the age of 100 years. Two retirees turned 100 in 2007. The younger one (Oct/1907) retired in 1959! The older one (Dec/1907) retired in 1964! There are 48 retirees in their 90s. We have twelve widows that have reached 100; the oldest is 103.

Death Benefit Fund

By Sgt. Robert Kirchner, Membership Chairman

One of the least known benefits that Sergeant Association Members enjoy is the Death Benefit. This benefit is paid to the member's designated beneficiary upon the death of an active duty Sergeant. The benefit is paid to the deceased member's family immediately upon the member's death to help with immediate expenses. The Sergeant's Association usually pays out this benefit before the funeral is complete. The benefit of \$3,000.00 is given without the beneficiary filing any claim forms and at a time when it can be used the most.

The Death Benefit Fund is funded from the profits from the Annual Sergeant's Association Golf Outing. So come support the Golf Outing and have a great day of golfing with your friends and fellow Sergeants. The Sergeant's Association will soon be sending you raffle tickets for this event. The raffle tickets are \$10.00 for 7 tickets. Buy the raffle tickets sent to you and help support this worthy benefit. 🏠

Grievance Report

By Sgt. Jim Ade, Grievance Chairman

The following is a snap-shot of the grievance procedure. Hopefully the information will be helpful and give some insight into what filing a grievance entails. The grievance procedure is a form of checks and balances between the PB&PA Unit 156 and the city with regard to our contractual rights. Not all issues of fairness are grievable however. A violation of the sergeants' contract must exist. Research the contract and know what sections were violated prior to seeking any form of resolution. Any sergeant can call the association office for advice or assistance. An attempt to resolve the dispute must be made within ten days of the circumstance that led to the dispute. Should any sergeant feel that his/her contractual rights have been infringed upon, he/she should first attempt to resolve the dispute with the first exempt member in their respective chain of command by presenting a completed PB&PA Grievance form. Many grievances related to discipline are called "Just Cause Grievances". Section 8.1 of our contract basically states that no sergeant shall be disciplined without just cause. This should be noted in the narrative of the grievance report, along with the request that the contract be made whole and that all rights and benefits of the sergeant be restored.

Once the problem is brought to the attention of the exempt member, the sergeant should get a response within ten working days. If the dispute cannot be resolved at this informal step, the exempt member will contact Management and Labor Affairs and a grievance number will be provided. Once the Grievance form is forwarded to Management and Labor Affairs, PB&PA Unit 156 will be notified. The grievance committee will determine the validity of the grievance, and then make every attempt to mediate a remedy. If both parties come to an agreement, the grievant sergeant will be contacted for his or her approval, and the grievance will be settled. However, if both parties reach an impasse, a summary opinion may be requested. In this step, the grievance is sent to an arbitrator to review

and render his opinion as to what he would find if the grievance was brought to full arbitration. The opinion of the arbitrator is not binding at this point. Most cases are decided by summary opinion due to the tremendous costs involved with arbitration. The grievance committee will weigh each case and determine whether or not to take a grievance to arbitration. The finding of an arbitrator, at this step, is binding on both parties and the grievance would thereby be resolved. If a dispute should arise, I hope that the above information will assist you. 🏠

2008 Corned Beef & Cabbage Dinner Report

By Sgt. Don Januszyk, Retired

There were 47 Sergeants who retired in the year 2007. We did honor 17 who were present at the dinner, with the Sergeants Gold Star. All of the retirees were given a Proclamation from the City of Chicago courtesy of 18th Ward Ald. Ginger Rugai. This year there were 160 present at the dinner which was held on the south side at the European Chalet. Everyone had a great time and Harrington's corned beef was perfect. Some photos from the dinner are shown in this issue of the *Chevrons* and also on our web site. Photos which were taken by our photographer Debbie, are now available at the office, and will be available at the general meetings. Next year's dinner to honor the Sergeants who retired in 2008 will be held on February 19, 2009 on the north side. ⚡

Keeping Life In Focus

Compliments of your Chaplain, Rabbi Moshe Wolf • 773-463-4780 • moshewolf@hotmail.com

I was out for a police ride along the other night on the west side. The officer driving the squad car pulls in to a gas station. He gets out of the squad car and starts chatting with one of the lonely souls standing in front. He takes the man inside buys him a cup of hot coffee and a sandwich and bids him a pleasant evening.

The officer gets back into the car and tells me 'Rabbi, I try to do that regularly because I never want to forget where I came from'. I couldn't hide the smile and pride I felt at that moment. It will remain with me for a long time. Stories like that don't make it to the newspapers but they do make it to G-d's books. It brings to mind the following parable . . .

There was a blind girl who hated herself because she was blind.

She hated everyone, except her loving boyfriend. He was always there for her.

She told her boyfriend, 'If I could only see the world, I will marry you.'

One day, someone donated a pair of eyes to her. When the bandages came off, she was able to see everything, including her boyfriend.

He asked her, 'Now that you can see the world, will you marry me?'

The girl looked at her boyfriend and saw that he was blind. The sight of his closed eyelids shocked her. She hadn't expected that. The thought of looking at them the rest of her life led her to refuse to marry him.

Her boyfriend left her in tears and days later wrote a note to her saying: "Take good care of your eyes, my dear; for before they were yours, they were mine." End of story.

This is how the human brain often works when our status changes.

Only a very few remember what life was like before, and who was always by their side in the most painful situations. The trick is never to forget where we came from.

Some points to ponder . . . life is a gift, enjoy your present.

Today before you say an unkind word, think of someone who can't speak.

Before you complain about the taste of your food, think of someone who has nothing to eat.

Before you complain about your husband or wife or loved one, think of someone who's crying out to G-D for a companion.

Today before you complain about life, think of someone who went too early to heaven.

Before you complain about your children, think of someone who desires children but they're barren.

Before whining about the distance you drive, think of someone who is not as blessed as you are.

But before you think of pointing the finger or condemning another, remember that not one of us is without sin and put a smile on your face and thank G-D you're alive and still around. 🙏

Before You Turn 65

It is very important that you contact the Social Security office **AT LEAST 3 months before you turn 65**. The Pension Fund needs AT LEAST 30 days after you give them your Medicare information to make the necessary changes. It takes the City at least 2 weeks to get the information to BC/BS who will send you new identification cards with a new group number on it. Also, make sure that you have ordered any medications you use prior to this change to avoid problems. It's best to make an appointment with the Social Security office to save time. They also have a lot of information online. It's hard to believe, but they are very helpful. 🙏

A Police Officer Speaks

Well, Mr. Citizen, it seems you've figured me out. I fit neatly into the category where you've placed me. I'm stereotyped, standardized, characterized, classified, grouped, and always typical. Unfortunately, the reverse is true. I can never figure you out.

From birth, you teach your children that I'm the bogeyman, if they do anything bad I'll take them away. Then you're shocked when they identify/associate with my traditional enemy... the criminal! You accuse me of going too easy on criminals until I catch your kids doing wrong. You may take an hour for lunch and several coffee breaks each day, but point me out as lazy for having one cup. You pride yourself on your manners, but think nothing of disrupting my meals with your troubles.

You go mental with the guy who cuts you off in traffic, but let me catch you doing the same thing and I'm picking on you. You know all the traffic laws...but you've never gotten a single ticket you deserve. You shout "IDIOT" if you observe me driving fast to a call, but raise the roof if I take more than ten seconds to respond to your complaint.

You call it part of my job if someone strikes me, but call it police brutality if I strike back. You wouldn't

think of telling your dentist how to pull a tooth or your doctor how to take out an appendix, yet you are always willing to give me pointers on the law and telling me how to do my job.

You talk to me in a manner that would get you a bloody nose from anyone else, but expect me to take it without batting an eye.

You yell that something's got to be done to fight crime, but you can't be bothered to get involved.

You have no use for me at all, but of course it's OK if I change a flat for your wife, deliver your child in the back of the patrol car, or perhaps save your son's life with mouth to mouth breathing, or work many hours overtime looking for your lost daughter.

So Mr. Citizen, you can stand there on your soapbox and rant and rave about the way I do my work, calling me every name in the book, but never stop to think that your property, family, or maybe even your life depends on me or one of my buddies.

Yes, Mr. Citizen, it's me the cop!

The Author of this article was Trooper Mitchell Brown of the Virginia State Police. He was killed in the line of duty two months after writing the article. 🙏

The Retirees' Corner

By Retired Sgt. Don Januszyk (Southside Retiree Liaison)

Well a lot has been going on. The February Corned Beef Dinner was a success, and we are already starting to promote the Golf Outing. New "Life Membership" window decals have been ordered. The old ones were yellow, and the new decals will be dark blue so you can see them.

If a female answers the phone at the office, it's Eleanor, who's been with us for about the last year and a half. She's a great help. A new addition to the office is Sgt. Jim Ade, the grievance chairman. Jim who stole my desk, and computer, is getting all our grievance files together, and is a big asset to the association. He does let me use the computer, sometimes.

I have an apology to Sgt. Rich Wisner, whose name I spelled wrong in the last issue. We sent out the last issue of the "Chevrons" presorted first class in the interest of time because of the Corned Beef dinner. There were 48 copies returned to us marked "undeliverable".

I have been recently elected to the board of the "Retired Chicago Police Association" as a Second Vice President, which becomes official in May. I haven't told my wife yet. There are about 4,500 members, which include retirees of all ranks and also annuitants. That organization is the true voice of all retirees, and with the new Board I sincerely hope that we can be a strong voice in representing all the members.

I still have on my agenda to get pictures of the new districts. Just wanted to let you know I haven't forgotten. If you change your address or you know of someone who passed on, please give our office a call. If a retiree passes away we make every effort to deliver a Sgt's Memorial Ribbon to the location of the wake. If that is not possible, the ribbon is sent to the family of the deceased via the US mail. If you need to contact me via the computer you can email me at www.dj156@ameritech.net. ☺

Have Older TVs? Big Change Coming

By Retired Sgt. Don Januszyk (Southside Retiree Liaison)

Effective February 2009, all TV stations will broadcast only in digital TV. This means that if you do not have a High Definition TV you will not be able to watch television.

If you watch your television or tape a show with a VCR using cable or a satellite dish this will not apply to you.

If you have the older TV sets you will need to purchase a DTV Converter for each TV that you intend to use. If you use a VCR to tape a program while you are watching your TV, then you will also need a DTV Converter for the VCR.

The US Government is making available to each household, two free \$40 coupons to be used toward the purchase of a DTV Converter. Once you receive these

coupons they are only good for 90 days. The DTV Converters are available at Radio Shack, Best Buy, and possibly other stores. They list for \$60.00. Using the coupon, you will pay \$20.00 for each converter. They contain all the wires and connectors you will need. Actually, they install rather easily.

If you have an older TV, then you must be using an outdoor antenna. You can use the same antenna; there is no reason to change it.

There are two ways to request a coupon. You can call 1-888-388-2009 or go on line to www.dtv.gov. It is suggested that you start this process soon, because knowing the government, they may run out of coupons, or there could be a shortage of converters the longer you wait. Good luck. ☺

Social Security Benefits

There is a bill HR-82 which would re-establish our Social Security Benefits and it is currently locked in committee. Law enforcement personnel and the retirees have been hoping to have our social security rights restored for years. Below is a sample letter that you may send to Rep. Michael McNulty. You may also call him at 1-202-225-5076 or he can be emailed at www.mike.mcnulty@mail.house.gov. 📧

May 6, 2008

The Honorable Michael R. McNulty
Chairman Subcommittee on Social Security
Committee on Ways and Means
U.S. House of Representatives
1129 Longworth House Office Building
Washington, DC 20515

Dear Chairman McNulty:

I am a retired/active Police Officer who is affected by the Social Security Fairness Bill (H.R. 82) which has been stuck in your committee. I understand that you have supported and co-sponsored this critical bill in the past but have yet to do so in this session.

We public servants have been denied full Social Security benefits. Most of us have been engaged in additional outside employment to make a better life for ourselves and our families. We have contributed our equitable share to the Social Security System.

On behalf of my brothers and sisters in Law Enforcement I urge you to schedule H.R. 82 for a vote in this session of congress.

Sincerely,

2008 Annual Golf Outing & Death Benefit Fund Raiser

This year's Golf Outing is on **Monday the 11th of August** at the Silver Lake Golf Course, located at 147th and 82nd Ave. in Orland Park. They have treated our organization really great, and we have had great complements, even from our north side supporters. The current fee is only **\$90.00 per golfer**, which includes doughnuts, golf, a cart, and beverages on the course, snack at the 9th hole, goody bags, lunch with limited free beer, wine, & soda, door prizes, and a great time. It's a shotgun start at 0900 hours. Send in your reservation with a check ASAP. We exceeded our numbers last year, but Silver Lake helped us out in a tight spot. **Remember all profits from the golf and the raffle go directly to the Sgt's Death Benefit Fund for Active Duty Sergeants.** A BIG DOUBLE YO HO to Sgt. Marty Gainer & CREW for being the first foursome to sign up and to send in their check! 📧
