CHICAGO POLICE SERGEANTS' ASSOCIATION

President's Message

By John Pallohusky

As we begin 2009, I wish to extend my wishes to all of our members and their families for a healthy and safe year. On behalf of the Chicago Police Sergeants' Association, I would like to congratulate our 2008 retirees who will be honored at this year's Annual Corned Beef and Cabbage Dinner on 19 February 2009. Included with the 2008 retirees is two of our long serving C.P.S.A. Board members, Edward Brennan (A/3 Director) and George Whiteside (A/5 Director). Their service to the C.P.S.A. will be greatly missed, but we are counting on them for their continued involvement as retirees. Also our Financial Secretary, Dennis Hinkson who has not yet decided on retirement chose not to seek re-election to the C.P.S.A. Executive Board. Ed, George and Dennis, thank you for your tireless efforts and dedication to the Chicago Police Sergeants' Association. This year we lost our friend and longtime Board Member, Michael Stather. Mike passed away in October after a long illness. Mike most recently represented the north side retirees and was instrumental over the years in making the golf outing the success it is today. All proceeds from this golf outing go directly into the death benefit account for our active members. Mike you will be deeply missed.

I would also encourage all those that were promoted to the rank of sergeant this past year to take an interest in the Association. It is through the support of our members that the Association remains viable and can continue to represent the interest of our members.

Last year was a challenging, but productive year. We began 2008 with ongoing contract negotiations. We've held numerous meetings this past year with the City and have made significant progress, but there are several important issues that still need to be resolved. I am sure that you are all painfully aware of the current economic conditions that have affected all of us to at least some extent. This economic situation has had a major impact on our negotiations and being able to secure a contract that our

members rightfully deserve. It is my sincere hope that in 2009 we will be able to bring a contract to our members for their review and ratification.

In 2008 we bid farewell to Superintendent Phil Cline and welcomed incoming Superintendent Jody Weis. I have had several conversations with Superintendent Weis and several members of his Command. Superintendent Weis has been very willing to listen to our suggestions and has actively sought our input on issues that directly affect our members. While I and your other elected Officers of the C.P.S.A. have not always agreed with the Superintendent, we applaud his efforts to maintain an avenue of communication.

Since Superintendent Weis took over, the Department has undergone two major reorganizations. In an organization as large as the Chicago Police Department it is no surprise that some of these changes have impacted our members. I, along with your elected Officers remain committed to ensuring that your contractual rights are maintained.

Throughout 2008 we continued to challenge the City's position over the promotional examination process by filing a lawsuit in Federal Court. The City's position is that the examination and merit process is fair and completely open. One only need ask that if this process is fair and open then why is the eligibility list kept such a secret and the C.P.S.A. is denied access to this list to ensure fairness and compliance with the merit promotion process. This process is extremely troublesome and only leads to skepticism and further demoralizes those who put forth their best efforts when preparing for these infrequent exams. If the City is really interested in promoting the most qualified and experienced individuals to serve the citizens of Chicago, then the testing process needs to be completely overhauled.

With the efforts of our current Grievance Chairman, Jim Ade and our previous Chairman Jim Cosgrove, along with our Attorney Bob Kuzas and the addition of Attorney Joe FitzSimmons to his staff we have made significant progress in how we handle the grievance process. Grievance Chairman Jim Ade has completely overhauled how we track the progress of grievances. He maintains almost daily contact with M.L.A.S. and our attorneys in order to address our concerns in a timely manner. By revamping how we

internally address and follow-up pending grievances and address potential situations that could possibly lead to a grievance, we have been able to resolve many of these issues in a more efficient manner. During the latter part of 2008, the C.P.S.A. was awarded a major victory through an arbitrator's decision. A few years ago the C.P.S.A. filed a grievance on behalf of several of our members who were detailed out of their Areas of assignment and were not compensated properly per the contract. The arbitrator's decision resulted in a significant monetary award for our affected members.

During 2008 the C.P.S.A. along with the Captain's Association, Lieutenant's Association and the F.O.P. held joint meetings with the Department over implementing several different pilot work schedules beginning in 2009. The proposed pilot work schedules were reviewed by the C.P.S.A. Board of Directors and unanimously approved. These pilot programs will be in effect for one year. The C.P.S.A., along with the F.O.P. and the Department has agreed to meet monthly to discuss any issues that arise within these work schedules. The important provision is that no single program can be eliminated or permanently implemented during the year unless both sides agree. I urge any member working in or affected by these pilot programs to give the C.P.S.A. your feedback, whether it is positive or negative. Without your input we cannot evaluate these pilot programs effectively.

During 2008 all of the positions within the C.P.S.A. were up for election. The contested positions were for President and four Director at Large positions. Congratulations to the four candidates elected to the position of Director at Large; Debra DeYoung (re-elected), Nancy Higgins (re-elected), Michael Lazzaro, who previously served as the Area Four Director and Michael Burke. Also, congratulations to Michael Lazzaro on his successful re-election as Trustee to the Retirement Board Policemen's Annuity and Benefit Fund. The following new Board Members were elected by acclamation, John Stahl (A/1 Director), Mark McDermott (A/3 Director), Tom Flaherty (A/4 Director) and Thomas Linnane (A/5 Director).

I also faced a challenge in my bid for re-election as President of the C.P.S.A. I would like to thank all those members who voted for me and believed that I deserve to represent them as President of the C.P.S.A. To those members who chose not to cast their vote for my re-election it is my sincere hope that during the

upcoming term I can earn your support. Election challenges and campaigns can serve a positive purpose. They provide an opportunity to hear the concerns of the membership that otherwise may not be voiced. While some of the information disseminated about me was not completely factual, I commend my opponent, Gerard Majerczyk for bringing some important issues to the forefront. I appreciate Gerry's magnanimous congratulatory comments and posting after the election regarding not only my re-election, but to the entire elected C.P.S.A. Board

By now all active members should have received their 2009 calendar books and decals. If you have not received yours, please contact the C.P.S.A. office or any Board Member. Thanks to our Membership Chairman and Vice President, Robert Kirchner and South Side Retiree Representative, Don Januszyk for their efforts in designing and compiling the 2009 Calendar Handbook. This was a tremendous volunteer effort on their part during the holiday season to get over 1,300 books out to our active members.

As I stated during my re-election campaign, I along with the rest of the elected Officers of the Chicago Police Sergeants' Association are accountable to you. We have been entrusted to represent your interest and ensure that your contractual rights are protected. With your continued support, I look forward to a very positive and progressive 2009.

As always, Stay Safe!

Message from the UP

By Sgt. Bob Kirchner

I just want to say thank you to all of the members who signed my petition to run for the Office of Vice-President. I was appointed last year to fill the vacant position until this recent election. I am looking forward to working closely with our President John Pallohusky on the many issues that concern our members. There are many talented and hard working members on our Board of Directors with whom I am pleased to be associated with. Thanks again and Happy New Year to all.

Pension Report

By Sgt. Mike Lazzaro, Sergeant's Pension Representative

"EVERY TIME YOU WIN, YOU'RE REBORN; WHEN YOU LOSE, YOU DIE A LITTLE"

Thanks to everyone who voted to re-elect me as Trustee for the Pension fund and as Director at Large on the Sergeant's Association Board. I have been on the Pension Board since 2005 and on the Sergeant's Board since 2000. It is a pleasure to serve on both of these Boards.

A TRULY EGREGIOUS YEAR FOR INVESTING

The headlines are bleak. It has been the Stock Market's third worst year in more than a century. Only 1931 and 1907 were worse. The Dow Jones Industrial average lost 34% this year. Of the 30 stocks in the "DJIA" only two had positive returns. Wal-Mart was up 18% and McDonalds was up 6%.

The year 2008 was the worst investment return the Fund had in recent history. Previously 2002 was the worst with a return of negative 7%; however 2008 shows an un-audited return of negative 27%. International stocks at negative 46% and U.S. stocks at negative 27% were the biggest laggards in the Fund's Investment Portfolios.

RETIREMENTS FOR 2008

Once again the amount of retirees was below the historical average of 400. For the year 2008, 340 sworn members retired, compared to 336 in 2007, and 328 in 2006. Here is the break down by rank:

Police Officers - 257

Sergeants - 51

Lieutenants - 10

Captains - 9

Exempts - 13

PENSION PORTABILITY

The Pension Portability Bill was passed on November 20, 2008. As of the first week of January 2009, the Bill SB 2520 has not been signed by the Governor. You can go the Pension Fund's website for more information.

JOIN THE ADVOCATES!!!

There are a group of sworn members who attend the Pension Board meetings every month. Carlos Saladino has been attending the meetings for more than eight years. Other Advocates that regularly attend the meetings are Mike Shemash, Steve Schorsch and Mark Howe. I'm glad that they are there. They have improved communications between the Fund's staff and the appointed Trustees, and have shown the commitment active members have for their Pension. All Sergeants should try to attend at least one Board meeting before they retire, there is strength in numbers. The dates of the Executive Board and Investment Board meetings for 2009 are available on the Pension Fund's website. www.chipabf.org

A Time To Look Forward

Compliments of your Chaplain, Rabbi Moshe Wolf • 773-463-4780 • moshewolf@hotmail.com

As the year comes to a close, we take a moment to reflect. There have been good times and laughter, hard times, challenges, and tears. But here we are, thank G-d we made it. We enjoyed G-d's blessings and at times we were shown more than we can understand. So let us take a moment to reflect and meditate... "A Time To Look Forward"...

A time comes in our lives when we finally get it... When in the midst of all our fears and insanity we stop dead in our tracks and somewhere the voice inside our head cries out - ENOUGH! Enough fighting and crying or struggling to hold on.

Like a child quieting down after a blind tantrum, our sobs begin to subside, we shudder once or twice, we blink back our tears and through a mantle of wet lashes we begin to look at the world through new eyes. This is our awakening. We realize that it's time to stop hoping and waiting for something to change or for happiness, safety and security to come galloping over the next horizon. We come to terms with the fact that "he is not Prince Charming and you are not Cinderella" or visa versa. That in the real world there aren't always fairytale endings (or beginnings for that matter) and that any guarantee of "happily ever after" must begin with us, and in the process a sense of serenity is born of acceptance.

We awaken to the fact that we are not perfect and that not everyone will always love, appreciate or approve of who or what we are... and that's OK. (They are entitled to their own views and opinions.) We learn the importance of loving and championing ourselves and in the process a sense of new found confidence is born of self-approval. We stop complaining and blaming other people for the things they did to us (or didn't do for us) and we learn that the only thing we can really count on is the unexpected. We learn that people don't always say what they mean or mean what they say. That not everyone will always be there for us and that life is not always about 'me'. So, we learn to stand on our own and to take care of ourselves and in the process a sense of safety & security is born of self-reliance.

We stop judging and pointing fingers and we begin to accept people as they are. To overlook their shortcomings and human frailties and in the process a sense of peace & contentment is born of forgiveness. We begin to sift through all that we have been fed, about how we should behave, how we should look, and how much we should weigh. What we should wear

and, how and where we should live and what we should do for a living, whom we should marry and what we should expect of a marriage, and the importance of having and raising children.

We learn to open up to new worlds and different points of view. We learn the difference between wanting and needing, and that it is truly in giving that we receive.

We learn that we don't know everything. It's not our job to save the world, just to give it our best. We learn to distinguish between guilt and responsibility, and in life it is okay if you have to say "No".

We look in the mirror and come to terms with the fact that we may never be a size 5 or a perfect 10 or as in my case, it is okay not to have a full head of hair, (or in plain english bald).

We come to the realization that we deserve to be treated with love, kindness, sensitivity and respect and we won't settle for less, and that's okay.

We learn, that for the most part, in life you get what you believe you deserve... and that much of life truly is a self-fulfilling prophecy. We learn that anything worth achieving is worth working for and that wishing for something to happen is different from working toward making it happen. You also learn that no one can do it all alone and that it's OK to risk asking for help.

We learn that the only thing you must truly fear is the great robber baron of all time... FEAR itself. Remember also, that life isn't always fair, we don't always get what we think we deserve and that sometimes bad things happen to unsuspecting, good people. We learn that G-d is NOT punishing us or failing to answer our prayers. It's just in life things happen that we just don't understand.

Slowly, we begin to take responsibility for ourselves by ourselves and we make ourselves a promise, to never betray ourselves. And we make it a point to keep smiling, to keep trusting, and to stay open to every wonderful possibility.

Finally, with courage in our hearts and with G-d by our side we take a stand, we take a deep breath and we begin to live today, the first day of the rest of our lives, to it's fullest.

Remember, the famous quote, "We can't turn the clock back to make a new beginning, but we can start today to make a new ending".

Best wishes and best of blessings to you and your loved ones. May G-d keep you safe, today and always. Amen 

Corned Beef Dinner

The Corned Beef Dinner honoring the Sergeants who retired in 2008 will be held on Thursday the 19th of February 2009 at the Hanging Gardens Banquet Hall located at 8301 W. Belmont in River Grove. It's located inside the mall on the southeast corner of Belmont and Cumberland. The phone is 708-456-2900 and doors open at 1800 hours.

The dinner is for the retiring Sergeants as well as all past retired and current active duty Sergeants in good standing. Letters have been sent out to all the Sergeants who retired in 2008 with the request to notify our office if they will be in attendance. If you have retired in 2008 and have not received a letter please notify our office. 🏠

Saying It Again!

PLEASE make sure that your beneficiary information is up to date. If an active duty Sergeant dies the listed beneficiary receives a check from our unit and also the state PB&PA unit. When the Sergeant has failed to list a beneficiary, then it is only through the efforts of your Board members that an appropriate family member is identified and a check issued. In a previous death we were unable to act because of legal issues.

Usually, the newer Sergeants are in compliance because we make sure they have both the local and state beneficiary cards. A veteran Sergeant can call our office and check to see if they have a card on file and it is up to date. At your request we can send both cards to your unit for you to fill out.

This advice applies to your pension and city benefits also. If a current beneficiary is not listed, your hard earned benefits can go up in smoke or it can cost your family in legal fees. Take the time to make sure you have it all together. You never know who can be knocking on your door. 🏠

I Forgot One!!!

Ret. Sgt. Don Januszyk

In the last issue of the Chevrons I forgot to list one of our helpers who is there every year for us. I'm talking about JoAnne Anaya. You will usually find Jo Anne on the south course staffing the money hole and then selling raffle tickets during the dinner. Jo Anne is a civilian who takes the day off to help us out. She is there before the shot gun start and stays until the end helping us pack up and clean up. Thanks Jo Anne and hope to see you in August. 🏠

Looking For A Job?

Retired Sergeant Barney Hogan is looking for some retired Sergeants or Officers to work for the City of Chicago College at the Richard J. Daley facility on the south side. The employment does include a state pension and the starting rate effective 01 January 2009 is \$15.50 an hour. You can give Barney a call at 773-843-4529 for additional information. 🏠

Address Change!

It is very important to list your apartment or unit number in your address. The U. S. Post Office will not deliver mail if the apartment or unit number is not listed. Even if you make an apartment or unit change within the same building, and your name is listed on the mail box, if it is not correct on the mail they will return the item to the sender. We have had several items returned to us as undeliverable. To the active duty Sergeants, the department does not list your apartment or unit number on any of its records that are available to our office, so please make sure you take the time to notify our office if you live in an apartment or condo. 🏠

Retiree Roll

Congratulations to all of our retirees. These sergeants have provided the City of Chicago with many years of service. We wish a long, healthy and prosperous retirement to all!!

Alternate Schedule Pilot Program

By Sgt. James Ade

The alternate work schedule pilot program is underway. The success or failure of these programs depends upon the input of the sergeants assigned in the pilot districts. We strongly urge those affected to call us at 773-376-7272 or e-mail the office at cpsa_sgts@ameritech.net with legitimate concerns related to the pilot programs. Regularly scheduled

meetings will be held with the city and the unions to assess each program. The information you provide, good or bad, will be discussed at these meetings so that the schedules can be properly evaluated. Hopefully, at the end of the pilot program, one schedule can be agreed upon to better the lives of all our members. ⚡

Dear Honorable Michael R. McNulty:

As a retired Chicago Police Officer, I and all my fellow retirees are relying on you to carry the Social Security bill (H.R. 82) for a vote at the next session of congress.

I understand that you have the the power to call for a vote in the subcommittee but haven't done so this year. If the bill would be called for a vote it should pass and we would get 100% of the social security payment owed to us. It has been a long time coming and we need you to stand up for us.

Thank you for your support.
